Ear Seals Ear Plugs (1 Pair)

Earplugs seal out water and noise

Dual Durometer Design - Two plastics used in the molding process allow for ease of insertion and unmatched comfort.

Dual Purpose -

Seal out noise with a noise reduction rating of 27 decibels (highest ever for a flanged earplug)
Exceptional ability to seal out water
Super Soft Seal Rings - Incredibly soft for extreme comfort

Detachable Cord - Convenient for hanging plugs around your neck in environments where noise comes and goes. Quickly and easily remove the cord for water activities.

Washable and reuseable

Moldable Silicone Ear Plugs - Kids Size

6 Pair

The ultimate in earplug comfort, Mack's silicone putty molds to the unique contours of any ear.

Doctor recommended to:

- Seal out water
- Help prevent swimmer's ear and surfer's ear
- Provide protection after ear surgeries
- Help relieve flying discomfort
- Protect hearing from loud noises
- Provide non-toxic, hypoallergenic protection
- Provides a better, more comfortable fit and seal than custom ear plugs

AquaBlock Ear Plugs

2 Pair - Purple

Ultra Soft, pre-molded flanged earplugs

Mack's AquaBlock pre-molded flanged earplugs are constructed of silicone and designed for super soft, super comfortable, waterproof protection.

Unique Flex Stem and triple flange design allow for a more customized fit, which increases sealing ability and improves wearer comfort

Pre-molded silicone will not deteriorate like similar earplugs made of plastic

Helps prevent swimmer's ear and surfer's ear

Washable and reusable for extended wear

Carrying case included

Ear Band

Great for swimming, bathing, etc.

Helps prevent swimmer's ear

Doctor recommended for swimmers with ear tubes or eardrum perforations

Helps prevent kids from removing ear protection

Helps keep ears warm during cold water and winter activities

Safe, comfortable and effective
